The people have
spoken

"Your ideas and expertise invigorated our event that was in desperate need of a makeover. We knew from day one that you were creative and excited but to also show your professionalism and deliver on all your promises is what impressed me (and my team) the most. It was so much easier dealing with you this year as opposed to dealing with 3 vendors last year for the same services (and saved us a few dollars too!) Again we want to thank you and cannot wait to get planning for next year (you have set a high bar for yourself now...no pressure!) You guys are the best."

- *Corporate Client 2016*

"Using Sole Power for our company's holiday event was the best decision I've made since joining the planning committee. You made my life so much easier and your ideas were great. I'll admit I was hesitant when you suggested 5 smaller acts instead of one main act from a logistics perspective but the flow from each one was executed flawlessly. Your help at the planning stages was much appreciated but even more so was your on-site manager who made it all run smooth. Thanks for coming through for us last minute."

- *Corporate Client 2016*

"Our wedding was absolutely magical and we owe so many thanks to you guys. The band was UNBELIEVABLE, I did not want to stop dancing. The ceremony was beautiful with two-piece, great suggestion but my personal favourite highlight was seeing my 98 year old grandmother dancing like she was 25. Incredible. All of the other pieces you provided from the lighting to the dance floor looked great as you said it would. ALL of your staff were a pleasure to work with as well, you are a lucky guy to have them."
