I was so impressed with the wedding ceremony we had, provided by Rabbi David Gellman. It was truly the nicest ceremony I have ever seen, I couldn't have dreamed of anything better! The details put into each and every aspect were so beautiful and our wedding day would not have been as special as it was if it weren't for David.

I highly recommend him for any type of nuptials!

I wanted to take this opportunity to express my appreciation to Rabbi David Gellman and his wife, Alex. I was raised in a traditional Jewish home with an orthodox education and consider myself to be a proud Jew with a strong appreciation of my heritage.

I was putting my hopes and wishes in the hands of the Rabbi and his wife and when the date of the wedding arrived not only was I put at ease but the service was the most beautiful and moving service I have experienced in many years. I was deeply moved by the service and to add to the evening Mrs. Gellman sat with my wife and I during the service.

My respect for the Rabbi and Alex is beyond that of a Jew to a Rabbi. Thank you Rabbi and Alex for making this day extra special for my daughter and son in law but extra special for my wife and I.

Hi Rabbi Gellman,

Yours very truly,
Jerry

I need to express to you how much I enjoyed your ceremony. The feedback from Mark and Lindsay's wedding has been over the top. Your service was inclusive, spiritual, meaningful, and yet light and fun. I started that evening feeling an enormous sense of gratitude, then keenly aware of everything that is possible. I am very appreciative of the way you connected with the bride and groom and made all of the bridal party and guests feel we were part of something extraordinary. Thank you, thank you!

Kindest regards,
Maureen
Wishing you strength and success.

Thank you so much Rabbi Gellman!

From the bottom of our hearts... Thank you so much for making our wedding so memorable. You wrote a beautiful ceremony for us and every moment of it was from your heart. All of our guests are talking about how moving our ceremony was and how informative, clear and wonderful our Rabbi is! My new step Mother-In-Law cannot get over how much she has learnt about Judaism!

Thank you so much and we cannot wait to see you and Rebbetzin Alex for our Mezuzah date and for future high holiday events and workshops.

With so much affection,
Andrea & Mark

happiness
