EVENT
MANAGEMENT

TOBEN gives unwavering attention to fresh quality ingredients, innovative scratch-made fare and the mantra that exceptional food must be met with exceptional event management.

Spanning daily lunches and team meetings to large-scale affairs such as holiday parties and charity galas, each event is approached with a holistic perspective. A TOBEN Event Manager will work as a single point of contact for each client to curate a customized menu and understand the overall vision and logistics of the event, ensuring a seamless client experience.
