Hey There!

Hi! I'm Giulia!

Thank you so much for considering Dynasty Events and Florals for your wedding florals and decor.

Our designs are romantic, whimsical, blissful and enchanting. We aim to make sure our clients and couples are able to enjoy their weddings without lifting a finger.

Each event we flower is unique to our clients. We love working with you and your vision to make your day special!

I began Dynasty Events and Florals in March 2020 with the dream to bring flowers and happiness to couples throughout Toronto and the GTHA.

I have worked in flowers shops since I was 8 years old! Because of this I am able to provide my clients with blooms beyond their imagination along with transparency and a wealth of knowledge that comes from years of experience.

Our main focus is weddings very simply because I love LOVE! It is so special for me to be a part of your day, and I am so thankful for your consideration.
