Our Service • Planning

Minimize the effort, maximize the outcome

- All of Fleur's weddings are assigned to a dedicated planner and a designer. Depending on the wedding size, we will also have 4 to 8 onsite team members to ensure the best customer experience on the day of; Fleur also has an internal online platform to make sure all details are accessible and reviewed
- Fleur has a large resourceful supplier database to not only help save time during the search for the perfect vendor, but also to help our clients stay on budget. The clients will be presented with a list of photographers, videographers, makeup artists, MCs, DJs, cake vendors, officiants and etc. handpicked to meet their needs
- Regular meetings will be scheduled with vendors to provide continuous support and professional suggestions throughout the planning process
- Being in the industry for many years with a five-star reputation, many vendors and venues offer special rates to Fleur customers. Fleur team is dedicated to negotiating the best deals and offers, while guaranteeing that it will not accept commission payments from any third-party vendors

Fleur, Your Wedding and Décor Visionaries!

Our Service • Designing

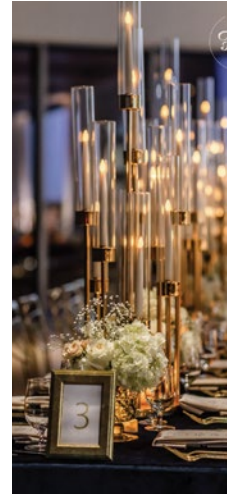

A customized design to your venue and budget

A designer from the Fleur team will be in charge of the design for the ceremony and dinner reception. The designer will help the couple to establish wedding themes through probing and understanding their preferences, as well as producing designs within their budgetary expectations. Fleur Weddings promise: each wedding is to be unique; Wedding designs will not be duplicated. Our clients deserve to have a one and only wedding design.
