

Wedding & Couples Services

with Reverend Corrie

Regular Wedding:

My fee for a regular wedding with over 8 guests is **\$600**, which includes everything. We start with a video call (*Zoom, WhatsApp*) where I learn about you as a couple and prepare the beginning of your customized ceremony. We build all the legal, ceremonial, and personal elements into your ceremony with unlimited video chats, emailing, calls, coaching support for original vows writing, and a private in-person *walk-through**. I perform the ceremony, complete your legal paperwork, send it to be processed, and send you instructions for how to request your marriage certificate from the government. This fee is for locations within 30-45 minutes of my home. Travel fees will apply for weddings 45+ minutes away.

Small Wedding:

If your wedding will have 8 guests or less, then the fee is only **\$500**.

This fee is for locations within 30-45 minutes of my home. Travel fees will apply for weddings 45+ minutes away.

****Walk-Through (already included in prices above):** A private, in-person meeting one or two weeks before your wedding day – just the three of us. It really works wonders for your peace of mind so that you're more relaxed on the big day. I offer walk-throughs instead of attending a rehearsal dinner, and I make sure to fully prepare you to conduct the rehearsal dinner on your own.*

Elopement Wedding (*no guests, witnesses only*):

An elopement wedding is a short ceremony with only the couple, two witnesses and the wedding officiant. It can be done anywhere. In the garden, backyard, a park, a restaurant, or in someone's home. A simple, heartfelt ceremony with vows and exchange of rings is included. The fee is **\$250** if you come to my location, or \$350 at a location of your choosing within 30 minutes of my home. You may review and customize the ceremony in advance for an additional \$50.

Premarital Couples Coaching:

Set your marriage up for success & receive invaluable support during the stressful wedding planning process. We will start with an online survey in the Prepare Enrich couples coaching portal, providing a full and in-depth picture of your values, strengths, and growth areas as a couple. Each of you completes your survey privately and are sent to me in advance of your first session. There is a one time **\$45** fee paid directly to Prepare Enrich for each couple's survey, which you will be able to pay online with a credit card when I send you the survey links. Whoever logs in to do their survey first will be prompted to pay. You can read more information here [Premarital - Prepare/Enrich \(prepare-enrich.com\)](https://prepare-enrich.com) and also see a sample facilitator's report here [sample_facilitator_report.pdf \(netdna-ssl.com\)](https://netdna-ssl.com/sample_facilitator_report.pdf). A package of three 90-minute couples coaching sessions with me is \$600. A single 90-minute couples coaching session with me after completing your survey is \$250. If you decide to upgrade to the package of 3 after the first session, then your \$250 can be applied towards the package.

Couples Astrology Readings:

There are two kinds of couple's relationship readings available – the **synastry reading** uses both of your individual charts and shows how they interact with each other. This is a great reading to understand your dynamic as a couple, your day-to-day interactions, your patterns of behaviour as a couple and to develop understanding and appreciation of your similarities and differences. The **composite reading** is a chart that represents your relationship, as a separate entity. This reading illuminates the reasons your souls have come together to grow, how your relationship has an energy and needs of its own, and how that relationship is meant to serve your shared evolution. Both readings will be 90 minutes in length. Choose one type of reading for \$200 or receive both readings for \$350.
