WHO WE ARE

SLY FOX is a premium live band for your wedding, private party or corporate event. Founded in 2015, we are passionate about delivering high energy, unforgettable live music experiences. Our musicians have toured with Grammy Award winning artists including Daniel Caesar, Shawn Mendes, Jessie Reyes and Charlotte Day Wilson. We specialize in the classics - from motown, classic rock, funk and r&b/soul essentials to cocktail jazz. Our signature 8-piece band features male and female vocals, guitar, bass, drums, keys and sax! We are available in various band sizes and work with you to curate your perfect event. Sly Fox performs at DHX Media's 10th Anniversary Party on the studio set of "Degrassi" in Toronto. Featured in Playback Magazine.

“Sly Fox was absolutely sensational. They worked with us to build a set list that was special to us and had every single person on their feet dancing all night. They were responsive, flexible, and really helped us to create an incredible atmosphere for our guests. I heard them at another event and had to hire them. You will too.”

- Krystina, Wedding Bride

“We have worked with Sly Fox on a number of occasions, from private parties, to university receptions, to scaled down birthday celebrations – always great music and always adaptable to any event. I strongly recommend this band to everyone that I know!”
