& EVENTS**

OUR STORY

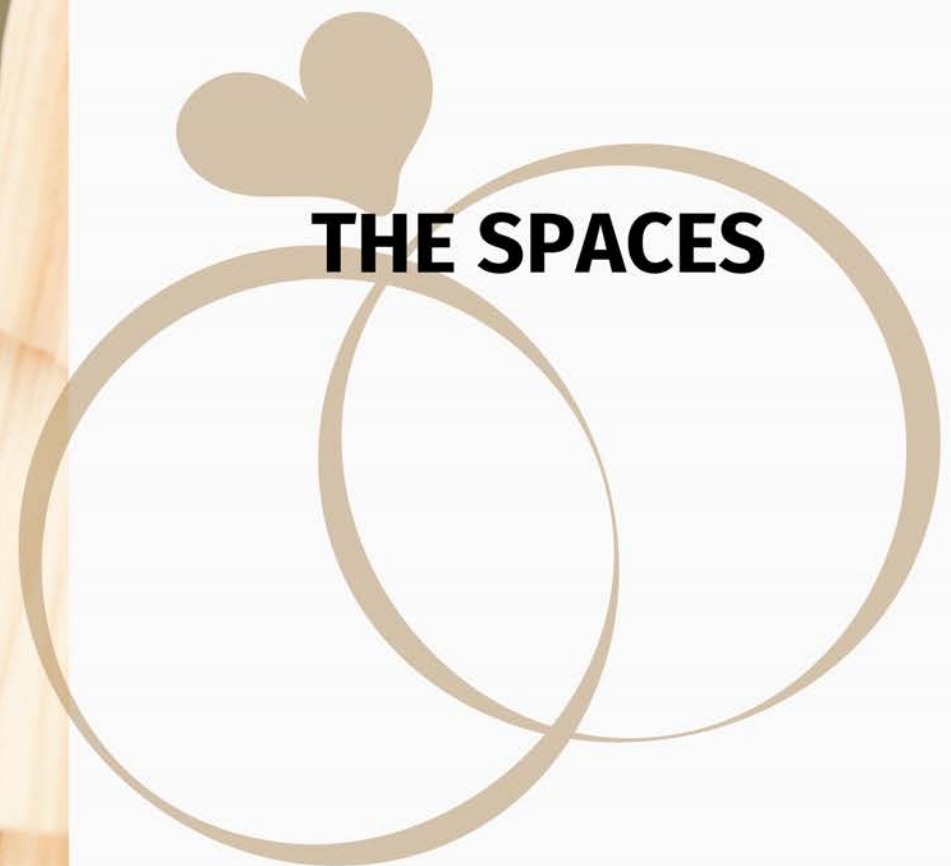

What happens when an interior designer/event planner and a renovator/photographer buy a farm?

In October 2022, we purchased the farm and our dream has always been to become a full-suite wedding/event destination. With the renovation of the farmhouse and event spaces now complete, we are now open.

We would be thrilled for you to consider Thunderbird Farm for your special day.

THE SPACES

THUNDERBIRD BARN

Creating magical memories

Looking for a rustic and charming venue for your special day? Look no further than our century-old post and beam barn! We provide all the essentials, from tables and chairs to lighting and linens as well as beautiful decor options like florals plus candles and the basics like our ‘Classy Potties’. Let us help make your wedding day unforgettable!

OUTDOOR CEREMONY AREA

Fields of dreams

We offer a beautiful ceremony space that includes custom benches for your guests. Our 8ft tall custom arbour adds a stunning touch to your wedding.

CARRIAGE HOUSE

Get ready, relax & have fun

Whether you are hosting a micro wedding reception or a cocktail hour, or a larger wedding which requires a groom's lounge (a perfect place for any of the bridal party to get ready), the Carriage House is sure to impress your guests. With rustic charm and modern amenities, the Carriage House offers a perfect option.

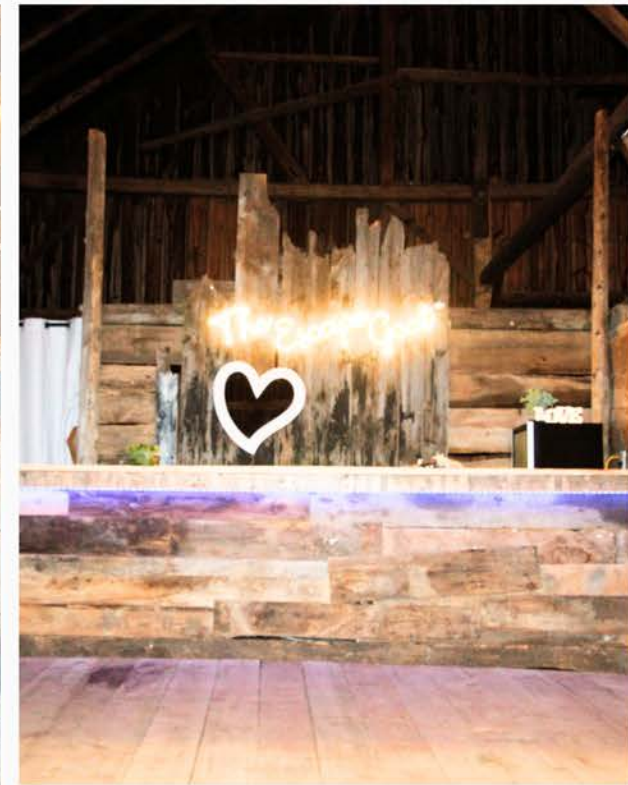

COCKTAILS AND FARM FRIENDS

Cheers

Our outdoor and indoor lounge spaces provide the perfect setting for you and your guests to relax, enjoy drinks and appetizers. Plus, our outdoor games and scenic photo opportunities add a fun and memorable experience to your special day.

Cheeky

We offer a unique experience that includes a variety of farm animals such as alpacas, Nigerian dwarf goats, baby-doll sheep, chickens and turkeys. These animals can be included in your special day to make your wedding even more memorable.

BRIDAL SUITE

Making memories

If you are a bride-to-be looking for a fully equipped bridal suite, the farmhouse provides an ideal blend of elegance and functionality, making it the perfect location for your wedding.

WHOLE FARMHOUSE

Why not stay?

Stay the night of the wedding in our fully renovated 1800's farmhouse. The Farmhouse is a 3-storey, 5 bedroom/5 bathroom house, packed with amenities that you and your guests can enjoy while taking in the stunning scenery. The Farmhouse can accommodate up to 14 guests, making an ideal location for your party to stay.

ADDITIONAL SERVICES

Dog Services

Looking for a dog chaperone service for your wedding day? We've got you covered! Our service includes assistance with important elements like helping your pup(s) get ready, walking them down the aisle and posing for photos. We also offer overnight stay options, so your furry friend can stay with us and be well taken care of.

Catering

We know that amazing food and drinks are a key part of any wedding celebration. That's why we have preferred vendors who offers exceptional deals for our couples. Whether you're looking for a caterer or other food/bar-related services, we are also happy to help you source whatever you need to make your special day unforgettable.

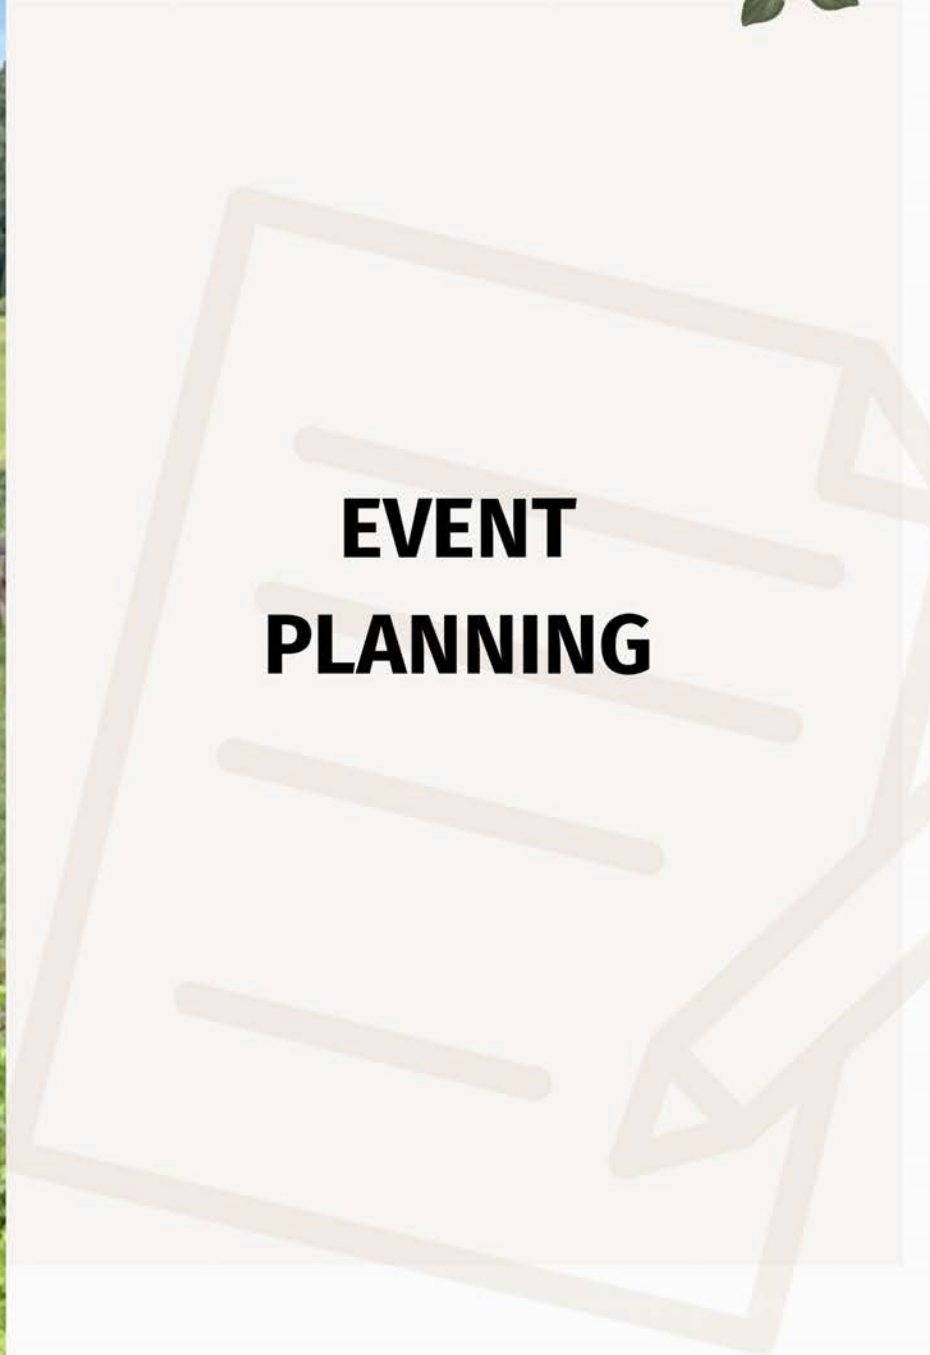

EVENT PLANNING

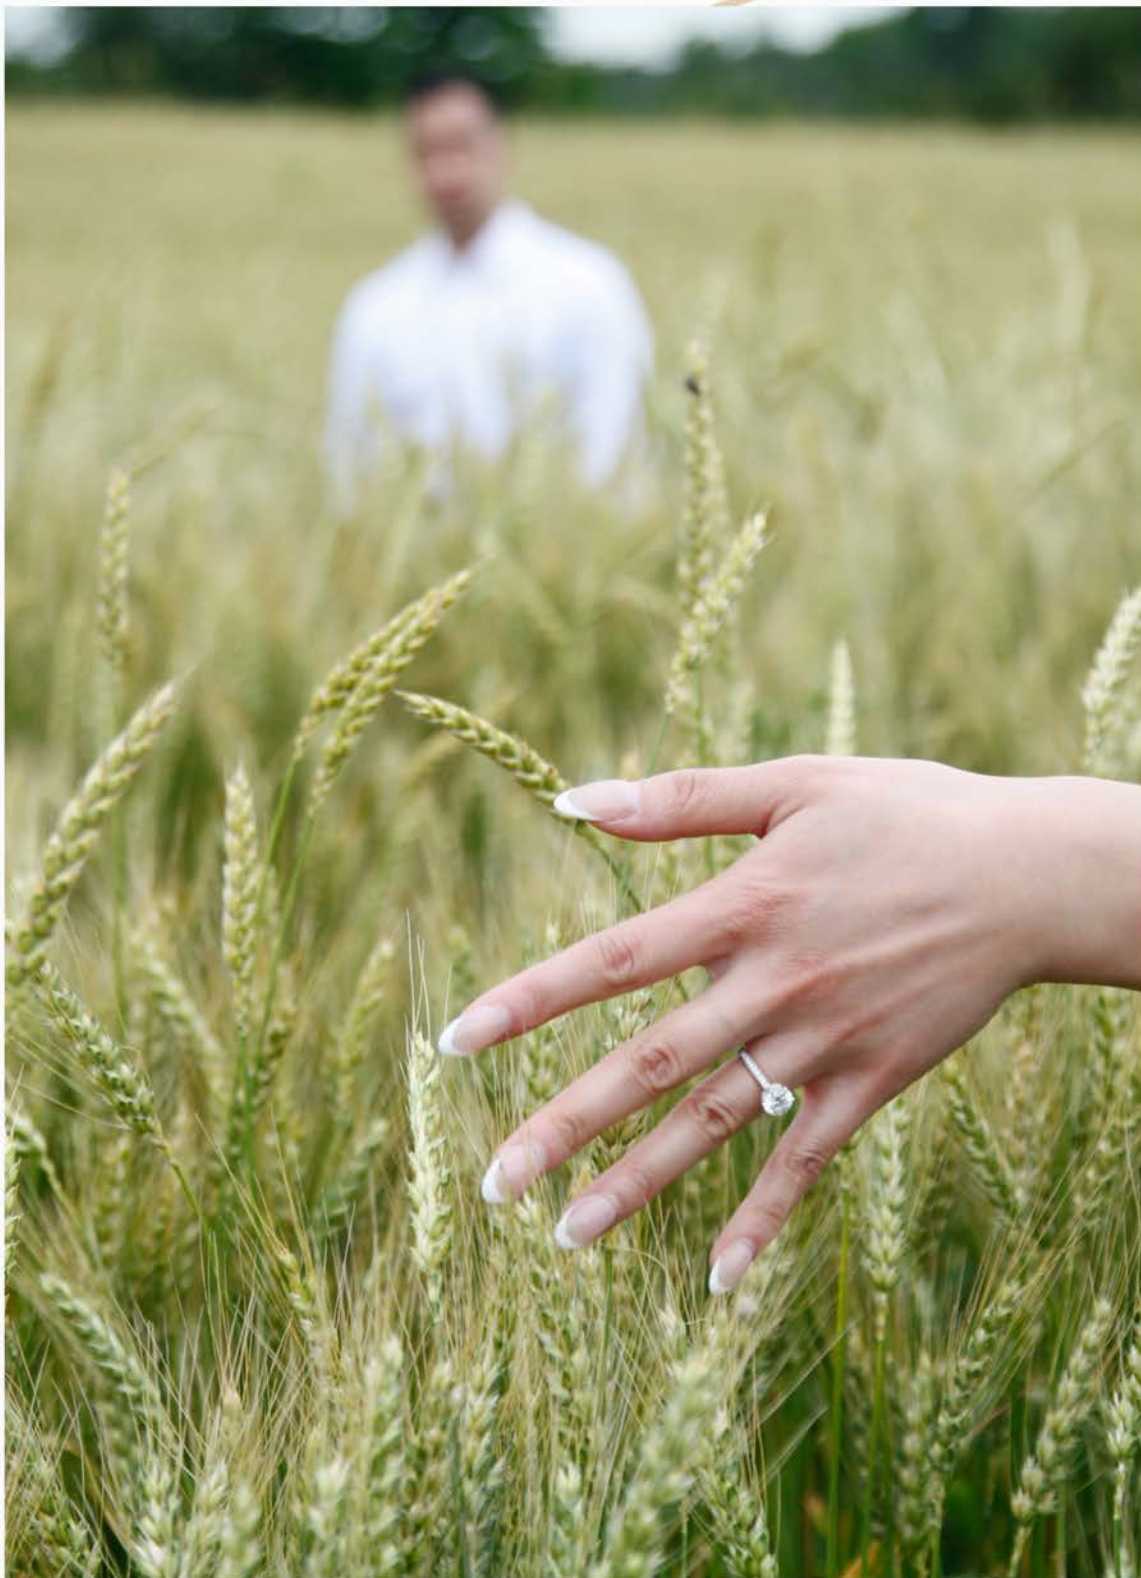

Our dedication

Our full wedding packages are designed to make the planning process as easy as possible for you. We offer a complimentary month of coordination, full decor set up, vendor selection and liaising, site planning/seating charts, day of timelines and more. In addition, we'll help with sourcing accommodations and provide on-site rehearsal attendance. On the big day, we'll be there to ensure everything runs smoothly.
